

Port of Whitman County - Notice of Special Meetings

Version Date: January 1, 2022

SUBJECT TO CHANGE

[Open Public Meetings Act- Special Meetings](#)

The Washington Open Public Meetings Act (OPMA), codified in chapter 42.30 RCW, requires that all meetings of governing bodies of public agencies, including port districts, be open to the public. A "meeting" under the OPMA occurs when a quorum of the governing body gathers with the collective intent of transacting the governing body's business. When more than one Port Commissioner attends a meeting or event, a quorum is present and therefore there is potential for inadvertent "action". "Action" is broadly defined under the OPMA so that any time Commissioners discuss, in any way, Port business or issues, it is considered "action" under the OPMA. It is the intent of Commissioners of the Port of Whitman County to not transact Port business at meetings or events offered by other organizations.

Under the OPMA, the required notice for Special Meetings shall specify the time and place of the special meeting and the business to be transacted. Final disposition shall not be taken on any other matter at such meetings by the governing body.

A quorum of the Port of Whitman County Commission may be present at the meetings and events listed below. Members of the public that are interested in attending the meetings should contact the meeting sponsor. This notice will be updated as information becomes available.
