

**PORT OF WHITMAN COUNTY
REQUEST FOR QUALIFICATIONS
ARCHITECTURAL AND ENGINEERING SERVICES
2026 WATERFRONT & MARINE INFRASTRUCTURE CONDITION ASSESSMENT & PLANNING**

A. GENERAL INFORMATION

The Port of Whitman County (Port) is soliciting Statements of Qualifications (SOQ) from qualified Consultants registered in the State of Washington to provide engineering services for waterfront and marine infrastructure condition assessment and asset management planning at multiple Port-owned facilities, including the Ports of Central Ferry, Wilma, and Almota (Project). Services may include structural evaluation, above- and below-water inspections, development of repair and maintenance recommendations including cost estimates, and related permitting support. Consultants must demonstrate experience in waterfront or marine facility inspection and assessment, including above- and below-water structural evaluations, and development of repair, rehabilitation, and long-term maintenance strategies. All work and approvals shall comply with applicable local, state, and federal standards.

This procurement is conducted in accordance with Chapter 39.80 RCW for architectural and engineering services using a qualifications-based selection (QBS) process. Cost or fee information will not be requested or considered during the selection process and will be negotiated with the most qualified firm.

This RFQ may be obtained via the Port’s website – <https://www.portwhitman.com/contractors>.

Additional exhibits include:

- A. Site Locations Map – Port of Central Ferry, Port of Wilma, and Port of Almota
- B. Site Images & Photos
- C. Port’s Standard Agreement for Professional Services

The provided materials are for reference only. Consultants are responsible for independently verifying site conditions as necessary.

B. PROJECT BACKGROUND

The Port of Whitman County owns and operates multiple waterfront facilities along the Snake River, including the Port of Central Ferry, Port of Wilma, and Port of Almota. These facilities support a range of agricultural and industrial operations and include infrastructure such as docks, dolphins, piling systems, and mooring structures.

Much of this infrastructure was constructed several decades ago, and available documentation of original construction and past improvements may be limited. The Port is seeking to better understand the condition and performance of these assets in order to support informed decision-making related to maintenance, risk management, and long-term capital investment. The Port has supplied all known relevant documents as exhibits to this RFQ.

C. SOLICITATION SCHEDULE

The solicitation schedule is outlined below. The Port reserves the right to modify the schedule as circumstances warrant.

Description	Date, Time
Solicitation Open	March 31, 2026
Last Day to Ask Questions	April 14, 2026, 4:00 PM PST
SOQs Due	April 21, 2026, 4:00 PM PST
Interviews (in-person)	Week of April 27, 2026
Notice of Selection	Week of May 4, 2026
Execute Agreement	May 15, 2026

D. QUESTIONS AND SUBMISSION OF STATEMENTS OF QUALIFICATIONS

Direct all questions on this Request for Qualifications to the project manager, Jacquelyn Huff, at jacquelyn@portwhitman.com by April 14, 2026, 4:00 PM PST. Please note project manager is out of office April 6, 2026 through April 10, 2026 and will respond to questions as soon as possible. Questions received after the deadline will not be considered.

The SOQs shall be submitted as a single PDF via email, with the subject: SOQ Waterfront & Marine Infrastructure, to the project manager, no later than 4:00 PM PST, April 21, 2026. SOQs shall not exceed twenty (20) pages, including attachments.

It is the Consultant’s responsibility to confirm the Port’s receipt.

The Port reserves the right to reject any and all SOQs submitted. This RFQ and the firm’s SOQ, including all representations made in the selected Consultant’s submittal (as accepted by the Port), shall be binding and incorporated by reference in the Port’s contract with the Consultant. The Port will not be liable for any costs incurred by the Consultant in the preparation and presentation of SOQs submitted in response to this RFQ.

E. REVIEW AND SELECTION CRITERIA

Consultant selection will be according to Chapter 39.80 RCW and 2 CFR 200 and based on the evaluation and scoring of the qualifications, unless it is deemed necessary by the Port to conduct interviews of closely scored consultants. The consultant determined to be best qualified to perform the studies will be recommended to the Port Board of Commissioners for acceptance, subject to successful negotiation of a contract for professional services. The Contractor will be required to comply with all local, state and federal laws and regulations pertaining to equal employment opportunities.

Evaluation Rating

The Evaluation Criteria rating reflects the degree to which the written SOQ meets or does not meet the minimum performance or capability requirements through an assessment of strengths, weaknesses, deficiencies, and risks of a SOQ. Assessment of technical risk, which is manifested by the identification of weakness(es), considers potential for disruption of schedule, increased costs, degradation of performance, the need for increased oversight, or the likelihood of unsuccessful contract performance. The inclusion of Minority-Owned, Woman-Owned, Veteran-Owned and Small Business Enterprises are strongly encouraged.

Criteria	Maximum Points
Evidence of the Firm’s Ability to Perform Work, as indicated by: <ul style="list-style-type: none"> Professional and technical profiles Experience with similar projects and/or owners 	10
Problem identification and proposed approach to accomplish the work as described in the Scope of Work, and appropriate demonstrated capability to explore and develop sound project recommendations.	10
Capability to provide professional services in a timely manner, as indicated by: <ul style="list-style-type: none"> The firm’s size relative to the size of the project; Present and projected workload. 	10

Responsiveness to solicitation requirements	10

Interviews: The Port may conduct interviews the week of April 27, 2026 with respondents who earn top ratings based on the criteria listed above. If needed, respondents will be contacted to schedule interview.

Contractual Terms and Conditions: The successful firm will be required to execute a contract with the Port of Whitman County on its Professional Services Agreement form (Exhibit C). The Port’s Professional Services Agreement may be modified at the Port’s discretion or as negotiated between Port and selected Contractor.

Nondiscrimination and Equal Opportunity:

The Port of Whitman County, in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that in any contract entered into pursuant to this advertisement, disadvantaged business enterprises will be afforded full and fair opportunity to submit SOQs in response to this invitation and will not be discriminated against on the grounds of race, color, or national origin in consideration for an award.

Projects funded wholly or in part by Federal appropriations must comply with Code of Federal Regulations; 24 CFR 570.502, 24 CFR 85.36, 2 CFR 200. All federally-funded projects will be held to federal Equal Employment Opportunity (EEO) requirements. The Port of Whitman County is an equal opportunity and affirmative action employer. The Port strongly encourages the participation of small businesses, minority-owned businesses, women’s business enterprises, and veteran-owned businesses. The Port in accordance with Section 504 of the Rehabilitation Act and the Americans with Disabilities Act (ADA), commits to nondiscrimination on the basis of disability, in all of its programs and activities. This material can be made available in an alternate format by emailing the project manager.

F. SCOPE OF WORK:

The scope of work will include the evaluation and assessment of waterfront infrastructure at multiple Port facilities. The intent of this project is to determine the current condition of existing infrastructure, identify deficiencies, and develop recommendations to support ongoing maintenance, repair, and long-term asset management planning. Work is expected to commence by May 22, 2026 and be completed by September 30, 2026.

Documentation is limited, and the Consultant shall be responsible for verifying site conditions as necessary.

The selected Consultant shall provide professional services including data collection, inspection, evaluation, and development of recommendations and cost estimates. Services may include, but are not limited to, the following:

a. Project Management & Coordination

The Consultant shall provide overall project management and coordination, including scheduling, progress reporting, and regular communication with Port staff. The Consultant shall coordinate with any subconsultants (e.g., dive teams or specialty inspectors) as necessary to complete the work.

b. Kickoff Meeting

The Consultant shall participate in a kickoff meeting with the Port to confirm project goals, review available information, and finalize the scope, schedule, and approach. Meetings may be held in person or virtually via Microsoft Teams.

c. Inspection & Condition Assessment

The Consultant shall perform above- and below-water inspections of waterfront infrastructure using appropriate methods (e.g., diver inspection, remotely operated vehicle (ROV), sonar, or other technologies as appropriate). Work shall include:

- Inspection of structural elements such as piles, caps, bracing, connections, dolphins, docks, and mooring structures
- Identification and documentation of deterioration, damage, and structural deficiencies
- Photo and/or video documentation of observed conditions
- Evaluation of overall structural condition and performance
- Identification of any immediate or critical repair needs

d. Condition Evaluation & Prioritization

The Consultant shall evaluate inspection findings and:

- Assess the severity and extent of deficiencies
- Develop a prioritized list of recommended actions (e.g., immediate, short-term, long-term)
- Identify potential risks associated with deferred maintenance
- Cost estimates

e. Repair, Rehabilitation, and Replacement Recommendations

The Consultant shall provide:

- Recommendations for repair, rehabilitation, or replacement of infrastructure components
- Conceptual-level approaches for addressing deficiencies
- Planning-level (“order-of-magnitude”) cost estimates
- Identification of potential permitting considerations

f. Asset Management & Maintenance Planning

The Consultant shall develop recommendations to support ongoing infrastructure management, including:

- Suggested inspection frequency and methods (inspection cadence)
- Preventative maintenance strategies
- Long-term capital planning considerations
- Recommendations for future monitoring and documentation

g. Reporting

The Consultant shall prepare a comprehensive report summarizing findings and recommendations, including a prioritized list of recommended improvements and associated planning-level cost estimates. The report shall include:

- Summary of inspection results
- Photo/video documentation
- Condition assessments and deficiency summary
- Prioritized repair and maintenance recommendations
- Planning-level cost estimates
- Recommended inspection and maintenance program

The successful firm and the Port will further refine the scope of work and schedule during the contract negotiation process.

G. INFORMATION REQUIRED WITH STATEMENT OF QUALIFICATIONS

Name and address of the entity submitting the SOQ and identification of key personnel who will perform the work required.

1. Names of the owner of the firm (if sole proprietorship or LLC); or each Partner (if Partnership); or each Officer (if Corporation).
2. Names, addresses and telephone numbers of at least three references for which you or your firm have completed similar (in size and scope) services.
3. A summary of services currently being offered and a statement of experience and ability regarding the services being requested must be included.
4. Describe the team's organizational structure and team lead's role.
5. Describe methodology or approach for addressing the Scope of Work.
6. Describe your process, tools, and strategies to develop, evaluate, and present project alternatives
7. Disclosure of any claims, lawsuits or formal disputes over work or services previously or currently being performed.
8. Schedule for completing the services.

GENERAL PROVISIONS

In consideration of the mutual covenants and other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Scope of Work. The objective of this Agreement is the timely preparation, completion and/or delivery of the scope of work and/or deliverables described in the Task Order(s) issued pursuant to and governed by the terms of this Agreement. A copy of the Task Order form(s) to be executed by the parties is included as Exhibit "A," attached hereto and incorporated herein by this reference. Additional Task Orders and/or amendments to Task Orders shall be attached hereto as amendments and shall be made part of this Agreement upon approval as required herein. Any Task Order(s) issued by the Port prior to the termination date of this Agreement shall be governed by the terms of this Agreement until completed even if the Task Order work extends beyond the termination date of this Agreement.

1.1 Work covered by this Agreement shall be performed in accordance with the provisions and any attachments or schedules. Except as may be otherwise provided for herein, this Agreement may only be amended by the mutual consent of both parties hereto, in writing and signed by duly authorized representatives of both parties.

2. Term of Agreement. The Consultant shall not begin work under the Agreement or any Task Order until the Port has specifically authorized the Consultant to do so in writing. The time required for completion of all work under each Task Order and, if appropriate under a schedule for completion of phases of the work, shall be specified in each Task Order. The completion dates for Task Orders, or for phases of work under a Task Order, may be modified only upon written agreement of the parties hereto. The completion dates for Task Orders, or for phases of work under a Task Order may be, but are not required to be, extended in the event of a delay caused by change order work requested by the Port, or if the Consultant's work is delayed by unavoidable circumstances beyond the control of the Consultant and which the Consultant could not reasonably have anticipated. This Agreement may be extended for multiple terms at the sole discretion of the Port and subject to budget appropriations and Commission approval when required; if so extended, all of the terms and conditions herein shall apply to such extension.

3. Compensation and Payment. Unless a Task Order specifically establishes a fixed fee payment,

the Consultant shall be compensated on the basis of hours worked and expenses incurred by its employees at the rates shown in the attached Consultant's Fee Schedule, Exhibit "B". The Consultant shall receive no other payment for materials or disbursements unless expressly allowed by the Task Order. The Consultant shall not adjust the wage rates in Exhibit "B" without written authorization from the Port.

3.1 Consultant shall supply Port with a monthly invoice and written documentation, satisfactory to Port, for all amounts due under this Agreement, including but not limited to project budget status and a narrative progress description of work performed that is acceptable in form to the Port. All invoices submitted by Consultant to Port shall reference any applicable billing codes provided by Port to Consultant. Any applicable taxes shall be listed as separate line items on each Consultant invoice. All invoices and documentation may be reviewed and audited by Port and payment may be subject to review or audit. Subject to the preceding, payments shall be due net thirty (30) days of receipt of such invoice by Port. In no event shall the Port be charged interest on payments due under this Agreement. If required by Port, Consultant shall provide periodic forecasts of its total fees and costs incurred to date. With regard to time and materials Task Orders, only the reimbursable expenses specifically listed in the attached Exhibit "B" will be payable expenses under this Agreement.

3.2 If a Task Order specifies that the work is to be performed on a fixed fee basis, the Consultant shall be paid the amount of the fixed fee as consideration for full and satisfactory performance of the work regardless of the Consultant's cost to perform the work. The Port shall have sole authority for determining when all work has been satisfactorily performed by the Consultant. The fixed fee amount comprises all of the Consultant's payment for the work and includes without limitation all costs of salaries, overhead, non-salary expenses (including, but not limited to, travel, reproductions, telephone, supplies, and fees of outside consultants), as well as the Consultant's profits. The Consultant's payment for the work shall not exceed the specified amount unless first authorized by the Port in writing.

3.3 The Consultant shall obtain the prior

written approval of the Port for any charges for additional services by the Consultant, the additional services of others retained by Consultant, or the furnishing of additional supplies, materials or equipment. The Consultant shall not be entitled to compensation for any such additional charges incurred in violation of this paragraph.

4. **Payment of Subconsultants.** At the time of project completion, the Consultant agrees to certify to the Port that all employees (including without limitation any union fees and any benefit plans), and subconsultants have been paid in full. Final payment shall be preconditioned upon receipt of such certification by the Port; the Port may, in its sole discretion, withhold final payment until receipt of such certification. The Consultant shall be solely responsible for the performance and payment of any and all subconsultants. All such subconsultants shall possess all licenses and insurance as required by this Agreement and/or the laws of the State of Washington.

5. **Termination.**

5.1 This Agreement may be terminated by either party upon seven (7) days' written notice and opportunity to cure should the other party breach the terms of this Agreement through no fault of the terminating party. In the event the party that fails to perform is the Consultant, the determination of "fail to perform in accordance with its terms" shall be in the sole judgment of the Port. In the event the Port terminates the Consultant for breach, the Consultant shall be compensated for satisfactory services performed to the termination date as set forth in Paragraph 3, less any damages incurred by the Port as a result of such breach. In the event the Consultant terminates the Port for breach, the Consultant shall be compensated for satisfactory services performed prior to the termination date as set forth herein, but in no case shall Consultant be compensated for any work not performed as a result of the termination. In no case, however, shall such reimbursement exceed the agreed upon fee as approved and amended by the Port. The Port shall have sole authority for determining when all work has been satisfactorily performed by the Consultant. Any work product generated by the Consultant prior to such termination shall be the sole property of the Port, and the Consultant agrees to provide the Port with all such materials. If the accumulated payment made to the Consultant prior to notice of intent to terminate

exceeds the total amount that would be due as set forth herein above, then no final payment shall be due, and the Consultant shall promptly reimburse the Port for the excess paid.

5.2 Further, this Agreement may be terminated by the Port at any time for any reason whatsoever, at the sole discretion of the Port, with seven (7) days' written notice. If the Port terminates for convenience, the Port will pay Consultant for satisfactory services performed up to the termination date as set forth in Paragraph 3, but in no case shall Consultant be compensated for any work not performed as a result of the termination. If, after termination for the Consultant's breach it is determined that the Consultant has not breached the Agreement, the termination shall be deemed to have been effected for the convenience of the Port.

5.3 In addition to the above, the Port reserves the right to suspend all or any portion of the work and services for Consultant's default or Port's convenience. If the Consultant's work is delayed for more than thirty (30) calendar days due to circumstances for which the Consultant is responsible, the Port may find the Consultant in default and terminate the Task Order and/or this Agreement.

6. **Deviations from Scope of Work.** The Port may at any time issue written directions within the general scope of this Agreement. If any such direction causes an increase or decrease in the cost of this Agreement or otherwise affects any other provision of this Agreement, the Consultant shall immediately notify the Port and take no further action concerning those written directions until such time as the parties have executed a written change order. No additional work shall be performed or charges incurred unless and until the Port approves in writing the change order and the increased cost thereof. Any work done in violation of this paragraph shall be at the sole expense of the Consultant. Additionally, the Port reserves the right to modify the amount spent for identified project tasks within the scope of work, provided that the Contract Amount, as may be modified under Paragraph 3.3, is not exceeded.

6.1 The Consultant shall make all revisions and changes in the completed work under this Agreement as are necessary to correct the Consultant's, and its subconsultants', errors or omissions without additional compensation from the Port.

7. **Insurance.** Consultant, concurrently with the execution of this Agreement, shall provide the Port with evidence that Consultant has obtained and is maintaining the insurance listed as follows:

7.1 Workers' Compensation Insurance with statutory limits as required by law.

7.2 Employers' Liability Insurance (bodily injuries) with a limit of at least One Million Dollars (\$1,000,000) per occurrence with an insurance company authorized to write such insurance in all states where the Consultant will have employees located in the performance of its work covering its common law liability to such employees.

7.3 Commercial General Liability ("CGL") Insurance with limits of at least Two Million Dollars (\$2,000,000) per occurrence and Two Million Dollars (\$2,000,000) aggregate and Automobile Liability Insurance covering any auto or all owned, hired, and non-owned autos used by or on behalf of Consultant with policy limits of not less than One Million Dollars (\$1,000,000) combined single limit for bodily injury and/or property damage. "Auto" carries the same meaning as found in ISO Form CA 00 01. The CGL policy shall be written on an occurrence basis with the insurer's duty to defend outside of the limits of the policy, meaning that the defense obligation does not erode the liability limits. The CGL policy shall provide coverage for damage to the Port's property caused by Consultant.

7.4 Professional Liability Insurance covering Errors and Omissions of the Consultant in the amount of not less than Two Million Dollars (\$2,000,000) per occurrence or claim, Two Million Dollars (\$2,000,000) aggregate.

7.5 Except with regard to the Professional Liability Insurance and Workers' Compensation Insurance, each of the policies required herein shall name the Port as an additional insured by way of a policy endorsement. Furthermore, each policy of insurance required herein shall (i) be written as a primary policy; (ii) expressly provide that such insurance may not be materially changed, amended or canceled with respect to the Port except upon forty-five (45) days' prior written notice from the insurance company to the Port; (iii) contain an express waiver of any right of subrogation by the insurance company against the Port and its elected officials, employees, or agents; (iv) expressly provide that the defense and indemnification of the Port as an "additional insured" will not be effected by any act or omission

by Consultant which might otherwise result in a forfeiture of said insurance; (v) contain a separation of insureds provision such that the policy applies separately to each insured that is subject of a claim or suit; and (vi) not contain a cross-claim, cross-suit, or other exclusion that eliminates coverage by one insured against another.

7.6 With regard to the Professional Liability Insurance, the policy may be issued on a claims made form or an occurrence form. If written on a claims made form, the following additional terms apply to the policy: (i) coverage shall be maintained for a minimum of six (6) years after Contract completion, with evidence of the same provided to the Port annually, (ii) the Retroactive Date must be shown and must be before the date of this Contract or commencement of Work hereunder, (iii) if the policy is canceled or non-renewed and not replaced with another claims-made policy form with a Retroactive Date prior to the date of the Contract or commencement of Work hereunder, the Consultant must purchase "extended reporting" coverage for a minimum of six (6) years after completion of the Contract work.

7.7 The Consultant shall furnish the Port with copies of Certificates of Insurance evidencing policies of insurance required herein. Except as otherwise specified herein, the Consultant and its subconsultants shall maintain these policies as identified above for the term of this Agreement and for a period of one year thereafter. The Port's failure to request such certificates shall not relieve the Consultant of the obligation to provide them.

7.8 The Consultant shall maintain the insurance in effect at all times that it is performing work under this Agreement. Failure to obtain and/or maintain such insurance shall be grounds for the Port to find the Consultant in default and terminate the Agreement accordingly. Alternatively, the Port may at its option purchase such insurance and deduct the reasonable expense therefore from payments made to or owing to the Consultant.

7.9 If the Consultant maintains broader coverage and/or higher limits than the minimums set forth above, the Port requires and shall be entitled to such broader coverage and/or higher limits maintained by Consultant. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage listed herein shall be available to the Port.

7.10 If any Excess or Umbrella Insurance policies are used to meet the limits of liability required herein, said policies shall be “following form” of the underlying policy coverage, terms, conditions, and provisions, and shall meet all of the liability insurance requirements stated herein, as evidenced by a Following Form Endorsement. Such Excess or Umbrella Insurance carrier shall have a duty to defend the Port outside of the policy limits. No insurance policies maintained by the additional insureds, whether primary or excess, shall be called upon to contribute to a loss until Consultant’s primary and excess liability policies are exhausted.

8. **Consultant Not an Agent or Employee of the Port.** In performing work and services hereunder, the Consultant and Consultant's employees, agents, and representatives shall be acting as independent Consultants and shall not be deemed or construed to be partners, employees or agents of the Port in any manner whatsoever. No employee of the Consultant shall be considered an employee of the Port even while performing work required under this Agreement. Furthermore, the Consultant shall not hold itself out as, nor claim to be, an officer or employee of the Port by reason hereof and will not make any claim, demand or application to or for any right or privilege applicable to an officer or employee of the Port.

9. **Conflict of Interest.** Consultant covenants that it presently has no interest and shall not acquire an interest, directly or indirectly, which would conflict in any manner or degree with its performance under this Agreement. Consultant further covenants that no person having such interest shall be employed by it or any of its subconsultants.

10. **Compliance with Applicable Law.** The Consultant shall comply with all the Port’s resolutions and all federal, state, and local laws, regulations and ordinances that are applicable to the work performed pursuant to this Agreement. Both parties mutually agree to re-negotiate scope, budget, and schedule should a change in any of the applicable Port’s resolutions, federal, state or local laws, regulations or ordinances during the performance of the work affect the cost of performing the work. The Consultant shall register (and shall require the same of all subconsultants), as required by RCW 23B.15.010, to do business in the State of Washington and provide proof of the same to the Port.

11. **Indemnification.** The Consultant shall defend (with legal counsel reasonably satisfactory to the Port), indemnify and hold the Port, its elected officials, agents and employees (collectively “Port”) harmless from and against all liabilities, obligations, fines, claims, damages, penalties, lawsuits, governmental proceedings, judgments, costs and expenses (including, without limitation, all attorneys’ fees, costs and expenses of litigation):

- Arising out of any negligent act or omission of Consultant, its directors, officers, subconsultants, agents and/or employees (collectively “Consultant”) in connection with the work performed pursuant to this Agreement; provided, however, that in the event of concurrent negligence of the Consultant and the Port, then this defense and indemnification shall apply only to the extent of the Consultant’s negligence; and/or
- Arising from a breach of this Agreement by Consultant; and/or
- Arising out of or due to any failure on the part of Consultant to perform or comply with any rule, ordinance or law to be kept and performed.

The Port will inform Consultant of any such claim or demand that alleges liability based in whole or in part on any act or omission of Consultant, its directors, officers, agents, or employees. Thereafter the Consultant shall (i) reasonably cooperate in the defense of such claim and (ii) pay the Port’s defense of such claim as incurred, whether or not such claim is ultimately successful. In this regard, the Port will reasonably cooperate with Consultant in allowing Consultant to jointly select, with the Port, attorneys to defend the Port and Consultant provided that Consultant confirms its obligation to pay the Port’s defense costs.

11.1 In the event of concurrent negligence by the Port and Consultant, then at the conclusion of the action (e.g., judgment, arbitration award or settlement), the attorneys’ fees and costs incurred in defending the Port shall be apportioned to the parties based on their respective fault as provided by RCW 4.24.115.

11.2 The foregoing indemnification obligation shall include, but is not limited to, all claims against the Port by an employee or former employee of the Consultant or any subconsultant or service provider. For this purpose, the Consultant expressly waives, as respects the Port only, all immunity and limitation on liability under any

industrial insurance Act, including Title 51 RCW, or other workers compensation act, disability act, or other employees benefits of any act of any jurisdiction which would otherwise be applicable in the case of such a claim. **BY INITIALING BELOW THE PORT AND CONSULTANT CERTIFY THE WAIVER OF IMMUNITY SPECIFIED BY THIS PROVISION WAS MUTUALLY NEGOTIATED.**

12. **Work Product Confidentiality.** Any reports, documents, questionnaires, records, information or data given to or prepared or assembled under this Agreement which the Port requests to be kept confidential shall not be made available by the Consultant to any individual or organization without prior written approval of the Port except as may be ordered by a court of competent jurisdiction. No reports, records, questionnaires, or software programs provided by the Port or other documents produced in whole or in part by the Consultant under this Agreement shall be the subject of an application for copyright by or on behalf of the Consultant.

13. **Public Disclosure Request.**

Correspondence, reports, and other written work product will be generated during the course of the relationship created by this Agreement, and third parties may request such information pursuant to the Washington State Public Disclosure Act (RCW 42.17.250 *et. seq.*). The parties agree that in the event that such a request is filed, the party with whom the request is filed will promptly notify all other parties to this Agreement. The parties further agree that they will not disclose any such requested material until at least ten (10) business days after providing notification to all other parties to this Agreement. The intent of this clause is to provide all parties the opportunity to seek injunctive relief so as to protect the vital functions of those entities.

14. **Plans, etc. Property of Port.** All work performed under this Agreement is work for hire. All deliverables, including but not limited to original plans, drawings and specifications, prepared by the Consultant and any and all sub-consultants for the Port and funded by the Port are and shall remain the property of the Port whether or not the

project for which they are made is executed. This shall not apply to proprietary software or documentation that may be provided to the Port and that was developed independent of funding by the Port. The Consultant assumes no liability for any use of the drawings and specifications other than that originally intended for the project. Originals, including electronic forms of the data prepared by the Consultant and funded by the Port, shall become the property of the Port. No reports, records, questionnaires, software programs provided by Port or other documents produced in whole or in part by the Consultant under this Agreement shall be the subject of an application for copyright by or on behalf of the Consultant. The Consultant's work shall not infringe on any copyright, patent, trade secret, or other proprietary rights held by any third party.

15. **Electronic File Compatibility.** All electronically transmitted output must be compatible with existing Port software and shall be provided to the Port in an appropriate electronic format. Consultants shall check with the Port for software application, system compatibility, and preferred file type. All CAD deliverables shall be consistent with the Port's standard CAD layering system, as provided by the Port to the Consultant.

16. **Non-Discrimination.** In connection with the performance of this Agreement, the Consultant shall not discriminate against any employee or applicant for employment because of race, color, religion, sex, national origin, age, marital status, or being handicapped, a disadvantaged person, or a disabled or Vietnam-era veteran or a member of any other protected class. The Consultant shall take affirmative action to ensure that applicants are employed and the employees are treated during employment without regard to their race, color, religion, sex, national origin, age, marital status, or being a handicapped or disadvantaged person or a disabled or Vietnam-era veteran or a member of any other protected class.

17. **Federal Restrictions on Lobbying.**

Consultant certifies that under the requirements of Lobbying Disclosure Act, 2 U.S.C., Section 1601 *et seq.*, no Federal appropriated funds have been paid or will be paid, by or on behalf of the Consultant, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of

any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

18. **Federal Debarment and Suspension.** The Consultant certifies, that neither it nor its “principals” (as defined in 49 CFR.29.105) is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any Federal department or agency. Consultant will include this clause without modification in all lower tier transactions, solicitations, proposals, agreements, contracts, and subcontracts. Where the offeror/consultant or any lower tier participant is unable to certify to this statement it shall attach an explanation to this Agreement. The Port reserves the right to require Consultant to replace a subconsultant or lower tier participant who cannot meet the foregoing certification requirement.

19. **Subletting or Assigning of Agreement.** The Consultant shall not sublet or assign any of the work covered by this Agreement without the express written consent of the Port.

20. **Notices.** All notices and payments hereunder may be delivered or mailed to the addresses listed above. If delivered by messenger or courier (including overnight air courier), they shall be deemed delivered when received at the street address. All notices and payments mailed, whether sent by regular post or by certified or registered mail, shall be deemed to have been given on the second business day following the date of mailing, if properly mailed to the mailing addresses provided above, and shall be conclusive evidence of the date of mailing. The parties may designate new or additional addresses for mail or delivery by providing notice to the other party as provided in this section. The address for delivery of notices and payments are as set forth in the introductory paragraph of this Agreement.

21. **Review of Title Documents.** Prior to the execution or recordation of any documents effecting title to any property, said document shall be reviewed and approved by the Port. Consultant shall not execute or record (or make to be executed or recorded) any such document prior to the Port’s review and approval.

22. **Jurisdiction.** This Agreement is made and

delivered in the State of Washington and shall be construed and enforced in accordance with the laws thereof. Jurisdiction and venue of any dispute hereunder shall be solely and exclusively in the Superior Court of the State of Washington in and for Whitman County. The parties expressly and irrevocably waive any right they may have to Federal court jurisdiction or a trial by jury. In the event of a dispute arising out of or under this Agreement, the substantially prevailing party shall be entitled to its reasonable attorneys’ fees and costs.

23. **Pollution.** Port acknowledges that the Consultant is not responsible for the creation or presence of contamination or pollution, if any, at the property except to the extent that such a discharge, release or escape is caused by the Consultant’s acts or omissions. For the purpose of this clause, contamination or pollution shall mean the actual or alleged existence, discharge, release or escape of any irritant, pollutant, contaminant, or hazardous substance into or upon the atmosphere, land, groundwater, or surface water of or near the property. The Consultant will promptly notify the Port of contamination or pollution, if identified. Notwithstanding the foregoing, the Port does not waive any cause of action for damages resulting from the Port’s reliance on any misrepresentation (made either knowingly or negligently) by the Consultant with regard to the presence of any contamination or pollution.

24. **Consultant Work.** Consultant’s work shall meet or exceed the standard for similar services performed by similarly licensed professionals performing work in Whitman County, Washington.

25. **Survival.** All obligations of Consultant, as provided for in this Agreement, shall not cease upon the termination of this Agreement and shall continue as obligations until fully performed. All clauses of this Agreement which require performance beyond termination shall survive termination.

26. **Entire Agreement.** This is the entire agreement between the parties. There is no other oral or written understanding between the parties concerning this matter. The Consultant specifically understands that no Port employees other than the project manager or his/her supervisor are authorized to direct the work of the Consultant.

27. **Signing Authority.** Anyone signing this

Agreement by said signature certifies that he/she has the authority to execute said document on

behalf of the Consultant and that his/her signature is binding upon the firm or corporation.
